Disclosure of Interests

Ultimate owner

The Individual Funeral Company Ltd is owned and managed entirely independently by Lucy Coulbert who lives in Oxfordshire.

Business or material Financial Interests

We have no business or material interests in any price comparison website which compares Funeral Director service and/or crematoria service and their respective prices.

We don't pay to be on these websites and choose not to advertise on them as we have always provided clear and transparent pricing on our own website.

Register of charitable donations

The Individual Funeral Company makes occasional charitable donations to good causes. For example, if a member of staff or funeral professional colleague takes part in a fund raising event.

These are typically from £50 - £100 and are one off donations and for different charities and good causes.

We make no other form of payment to a third party that does not relate to a cost incurred or a service provided by the third party on behalf or to us.
